

I-VIEW

Superior hands-free illumination

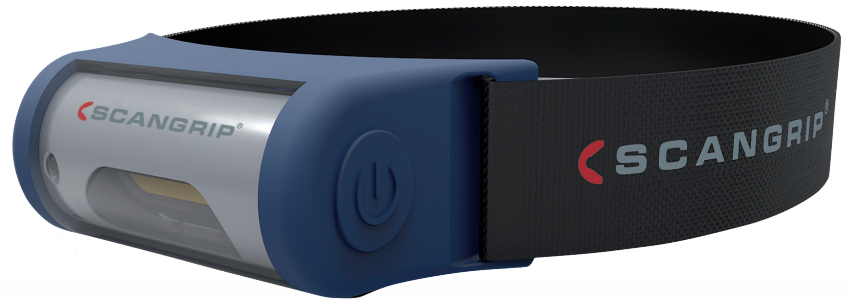

ORIGINAL
SCANGRIP

SINCE 1906

As opposed to all other headlamps providing a beam of light, I-VIEW is designed to provide optimum work light illuminating your entire work area. Supplied with the newest COB LED technology, the I-VIEW provides an extremely powerful illumination which spreads the uniform light to the maximum and lightens up your entire field of view. With I-VIEW you avoid turning the head to illuminate your actual workspace from a limited headlamp beam.

- Sensor function - Touchless sensor switch on/off technology
- Ergonomically designed
- Easy to operate - even with thick gloves
- Remarkably lightweight
- Illuminates your entire workspace
- Long duration time and rechargeable
- Dust and waterproof
- Black woven band (30 mm)
