

STAR LITE

Universal and bright inspection work light

A+

STAR LITE is the universal, sturdy hand lamp that every professional must have as part of the basic equipment of the workshop.

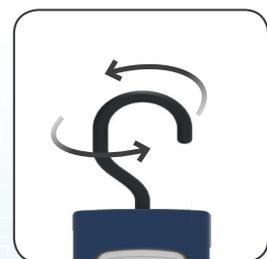

// New upgraded version

Compared to the first generation, STAR LITE has been upgraded with the highly efficient COB LED technology, now providing up to 400 lumen. The COB LED technology ensures super bright illumination of the work area.

It is designed for efficient workshop use and provides an ergonomic and user-friendly design.

STAR LITE is fitted with a turnable hook for easy suspension of the lamp.

STAR LITE is the universal basic lamp that everyone must have.
